Crisis Pregnancy Center And Maternity Home

Winter 2011

## Director's Note

WOW! Another year done and gone! It is amazing to me how fast time goes by. As we are in the midst of the Christmas season I pray that you are able to take time to slow down and focus on the real reason for the season, to celebrate the birth of our Savior, Jesus Christ. He gave up glory to come, as a baby, into a sin-filled world to give humans the ultimate gift of eternal life with God. But instead of receiving Him, they rejected him. And some still reject Him today. Have you accepted the free gift of eternal life that Jesus died to give you? If not, why not now during this Christmas season? There is no better gift to receive than that of eternal salvation. And you are the best gift God could every imagine, after all, He gave His only begotten Son as the ultimate sacrifice for you, all you have to do is accept the gift by asking Jesus to forgive your sins and be the Lord of your life.

May you have a very Merry and Blessed Christmas.

Vonnie

## House Parent Corner

The improvements and upgrades on the maternity home are well underway and proving to be well worth the investment! We have uncovered some areas that need repaired or replaced. This home is about 100 years old, so it's no surprise that the second story porch and some of the wood under the siding was in poor condition. The new porch is almost finished, the new windows are in, and we are looking forward to finally putting on the new siding. Thank you Moose Country Construction! Thank you to Chewelah Construction for our new metal roofing. We are all excited to see the exterior "facelift" of the Maternity Home. In the meantime, we are enjoying the new hardwood and vinyl floors inside the home. Thank you Hometown Flooring!

In our last newsletter we shared that we were waiting on God to bring us more residents. Since then we have housed three! We find ourselves again in waiting as we look forward to meeting who God will bring next. Praise Him as he prepares to support more young women in the important journey of motherhood and discovering His amazing love!

Trusting in God The Merrell's

## Thank you

We would like to thank each and every person and business who contributed to the success of our Dessert for Life social and silent auction. The evening was wonderful from the great harmonic sounds of the MacArthur Sisters to all the yummy pies that were auctioned off, and everything in-between, each part of the evening was just right. So again, thanks to all who had even the slightest part in putting this evening together and making it the success it was. Blessings to you and yours.

## Classical Ballet and Desserts

Hosted by Megan Andrews as her Senior Project will be held on February 10, 2012 at 7 O'clock in the evening At the Colville High School Auditorium.

Tickets are: \$10.00 for adults \$5.00 for children, Lap children are free.

Proceeds go to N.E.W. Family Life Services Crisis Pregnancy Center and Maternity Home.

For more information or to reserve your ticket. Please call 684-9895

*Behold, a virgin shall be with child, and shall bring forth a son and they shall call his name Emmanuel, which being interpreted is God with us.*

*Matthew 1:23*

**Sanctity of Human Life Month is January**

On Thursday January 19th we will host an open house tea/coffee social. Come have a cookie and take a tour of the Crisis Center and Maternity Home.

On Friday, January 20th we will be hosting the movie Un-Planned - the true story of Abby Johnson who was the director of a Planned Parenthood clinic in Texas until she assisted an abortionist with an ultrasound guided abortion and she saw first-hand the unborn baby trying to get away from the surgical instruments.

Our team of pro-life speakers is also available to come speak any day and especially on Sundays. Please call and schedule a time soon!
